H/30 x D/24 cm - limited edition of 10 + 2AP per color

Born in 1980 in the Netherlands, and a graduate of the famous Design Academy Eindhoven, Djim Berger is a true porcelain alchemist. LIGHTWEIGHT PORCELAIN brings porcelain to new and uncharted territories, in search of a material that is visually and sensually renewed. Comparable to an intriguing mineral, LIGHTWEIGHT PORCELAIN is also astonishingly stronger than standard porcelain, and therefore adapted to innovative designs for furniture.

Né en 1980 aux Pays-Bas et diplômé de la fameuse Design Academy d'Eindhoven, Djim Berger est un véritable alchimiste de la porcelaine. LIGHTWEIGHT PORCELAIN amène la porcelaine vers des territoires inédits, dans la recherche d'un matériau visuellement et sensuellement renouvelé. Comparable à quelque minéral intrigant, LIGHTWEIGHT PORCELAIN est aussi étonnamment plus robuste, et donc adaptée à des designs innovants en terme de mobilier.
